

Admin UI Trace Manual

Manual checklist for tracing Admin Panel Phase 3 and Phase 4 implementation

Manual Purpose

This file is for manual tracing only.

Use this document to check whether the Admin Panel implementation follows Admin_UI_Architecture_Plan.md without missing any page, component, feature, workflow, responsive rule, or premium UI requirement.

Important rule:

- Do not treat this file as a replacement for Admin_UI_Architecture_Plan.md.
- Do not modify Admin_UI_Architecture_Plan.md while tracing.
- Use this file as a checklist while agents or developers build the admin panel.
- Mark progress manually in the status columns.
